

Friends of Braidburn Valley Park: Safeguarding policy

When the Friends of Braidburn Valley Park organise activities involving children we will always make it clear that the children must be accompanied by adults (parent/carer/teacher/leader of uniformed organisation) responsible for their care and wellbeing.

As we do not supervise or instruct children or other vulnerable groups, our members are not required to have PVG/Disclosure for Park activities.

When we engage other people to carry out work with children, e.g. fitness classes, we will ask for evidence of their PVG/Disclosure, and we have verified that we can ask the Parks Department to carry out the check on our behalf.
