

FRIENDS OF BRAIDBURN VALLEY PARK

The Friends of Braidburn Valley Park is a voluntary organisation which involves local residents in the protection, upkeep and enjoyment of the park. With YOUR help and support, we can make Braidburn Valley Park something to be proud of.

Become a Friend and you can influence what happens to the park. Annual membership fees are £3.00 per person or £5.00 per household, usually payable in January. Proceeds go towards better management and upkeep of the park. A periodic newsletter – the Valley Voice - keeps Friends informed of progress. A committee, whose members and officer bearers are elected annually, represents the interest of the community regarding the park. The Annual General Meeting takes place in January.

Since its inception, The Friends have been involved with locating park benches and bins, planning and designing cairn-mounted interpretation panels, carrying out regular park/burn clean ups, and organising events such as bulb planting and an annual community event. All are welcome to come along and to participate as able.

To become a member, please complete the slip and send with payment to the address below.

I enclose my annual subscription for 2008:

Individual £3.00 {} Household £5.00 {}

Please tick as appropriate and make cheques payable to "Friends of Braidburn Valley Park".
